It's a Swiss specialty: the Halbeli! What could be more convenient than ordering a Halbeli of wine to share at lunch or dinner? It's practical and eco-friendly: after enjoyment, the bottles are returned to the Kiesen winery, where they are cleaned and refilled. This way, we halve CO2 emissions.

WHITE WINES

FENDANT DE CHAMOSON AOC VALAIS «LA GOLETTE» 2023 75 cl	CHF	44.00
---	-----	-------

This wine is made from the Chasselas grape variety, introduced to Valais from France in the 18th century. A refreshing white wine with a beautiful balance of fruit, acidity, and structure.

CHARDONNAY AOC GENEVA «JET D'EAU» 2023 75 cl	CHF	45.00
---	-----	-------

A successful white wine grape from Burgundy that has found a home in Geneva's terroir. It stands out for its finesse and its powerful aromatic profile. Geneva is Switzerland's third-largest wine-growing canton, offering everything needed for high-quality wine production: a favorable climate, abundant sunshine, and soils that allow for cultivating a variety of grape types.

MONT-SUR-ROLLE «DOMAINE DE BELLETRUCHE» THÜRING VON ERLACH 2023 70 cl	CHF	42.00
--	-----	-------

The wine from the «Domaine de Belletruche» has a distinctive character. It is recognizable by its spiciness in aroma and appreciated for its robust, straightforward tone and richness on the palate. The abundance of bouquet and aroma substances is not surprising, as the estate is located on the mid-slope of Mont-sur-Rolle. As in Burgundy's Côte d'Or, mid-slope vineyards of the Bonne Côte are preferred. The upper slope is often shallow due to fine soil particles being washed downhill, while the lower slopes can be too deep and overly fertile. The mid-slope, however, provides the perfect balance of soil composition for quality wine of grape types.

ST. SAPHORIN AOC LAVAUX 2023 70 cl	CHF	48.00
---	-----	-------

St. Saphorin is located in the heart of Lavaux, offering visitors an impressive terraced landscape. This wine has a distinctly floral bouquet with hints of honey. It is a velvety, well-balanced wine from Lavaux.

PETITE ARVINE «CHÂTEAU RAVIRE» SIERRE AOC VALAIS 2022 70 cl	CHF	58.00
--	-----	-------

The Petite Arvine, one of Valais' most renowned white wine specialties, is an indigenous variety that only grows here. It is particularly demanding in terms of soil and care but rewards the effort with a precious wine. It shines gold in the glass, enchants with a vibrant bouquet, and pleases the palate with a complex personality and a characteristic salty note. Petite Arvine can be enjoyed young but also has excellent aging potential.

JOHANNISBERG «CHÂTEAU RAVIRE» SIERRE 2022 70 cl	CHF	58.00
--	-----	-------

Johannisberg is made from the Sylvaner grape variety, originally from Transylvania and brought to Valais via Rhineland-Palatinate. After Chasselas, Johannisberg is the second most important white variety in Valais. When produced dry, it is full-bodied with a floral, fruity aroma and a delicate hint of bitter almonds. Sweet wines from this variety exude great class, maintaining their somewhat austere, slightly bitter character despite the sweetness.

RED WINES

PINOT NOIR DE CHAMOSON AOC VALAIS «LA GOLETTE» 2023 75 cl	CHF	44.00
--	-----	-------

The idyllic vineyard, offering magnificent views, is located on the municipal border between Chamoson and Leytron. This typical Pinot Noir has a slightly sweet aroma of cherries and berries. Aging in barrels adds notes of toast and hints of vanilla.

LA GOLETTE ROUGE AOC VALAIS 2021 75 cl	CHF	52.00
---	-----	-------

*Merlot, Gamaret, Garanoir, Pinot Noir, Syrah
The robustly spicy Syrah and Humagne Rouge blend with the elegant Pinot Noir, the full-bodied and soft Diolinoir, and the fruity Cornalin to create an outstanding tasting experience.*

HUMAGNE ROUGE «CHÂTEAU RAVIRE» SIERRE 2022 70 cl CHF 52.00

Despite its name, the Humagne Rouge is not related to the Humagne Blanche and is one of Valais' indigenous grape varieties. It reveals its qualities only on the finest, well-sunned plots, developing into a tannic, wild, and vibrant wine. Its aroma hints at forest berries and undergrowth

CORNALIN AOC VALAIS 2022 50 cl CHF 29.00

Known as «Landroter,» Cornalin is one of the oldest indigenous varieties in Valais. Not long ago, this grape faced near extinction due to its irregular yields. Today, approximately 140 hectares are cultivated again. This wine, with its violet hues, captivates with complex fruit reminiscent of cherries and a well-structured body. With age, its slightly wild charm transforms into overwhelming richness and finesse.

OLLON «CHUTE DE LA MONTAGNE» AOC CHABLAIS 2022 75 cl CHF 43.00

This refined wine from Vaud is crafted from various grape varieties, dominated by Pinot Noir. Barrel aging imparts a spicy note without overshadowing its smoothness and fruit. Aromatic with playful fruit and a silky finish.

MERLOT TICINO FRATELLI SIGRIST AFFINATO IN BARRIQUE 2022 75 cl CHF 52.00

The classic wine from Switzerland's sunniest region, Ticino. It presents itself as soft, full-bodied, and harmonious.

RED WINES

PIEDMONT BAROLO BRICCO SAN PIETRO DOCG GIGI ROSSO 2017 75 cl CHF 86.00

The dry soil, rich in clay and limestone, limits yields, ensuring the Barolo Arione's intense fruit (dried plums) and notes of withered herbs and minerals. This wine is aged for three years in oak barrels. It boasts a delicate, intense, ethereal bouquet and a full body. Complex and harmonious, it is a classic and refined Barolo, palate with fine almond nuances.

VENETO AMARONE DELLA VALPOLICELLA DOC «CENTENERO» 2018 75 cl CHF 72.00

*Grape Varieties: Corvina, Rondinella, Molinara
The healthy, selected grapes are dried on special racks. The must is pressed in December and begins a slow fermentation. Initially, this process creates a sweet, sparkling Recioto. When left to age naturally, the wine develops into the rich, dry Amarone—a robust wine with long aging potential.*

SICILY NERO D'AVOLA DOP "ANDRERO" 2022 75 cl CHF 46.50

Nero d'Avola has always been Sicily's most famous grape variety. This wine exhibits an intense red color with violet reflections. The bouquet recalls forest fruits, vanilla, and a hint of eucalyptus. On the palate, it is pleasantly full-bodied with a fruity finish.

TUSCANY SASSO BUCATO IGT RUSSO 2021 75 cl CHF 75.00

Sasso Bucato is the flagship wine of Azienda Agricola Russo. The estate features large stone blocks where marble was once quarried. To extract the marble, holes were drilled into the rock: Sasso Bucato—the pierced stone. After separate vinification of the grape varieties and 12 months of aging in oak barrels, Michele carefully blends the Sasso Bucato assemblage and bottles it three months later. It captivates with its velvety purplish-red color, full-bodied flavor, and pronounced fruity accents.

The Tempranillo is aged in stainless steel tanks, while the other varieties undergo malolactic fermentation exclusively in new American oak barrels.

Here, fruit dominates over mineral notes. Meaty on the palate, with a robust structure supported by fine tannins. One of the best wines from this young winery.

RIBERA DEL DUERO DO BOADA TEMPRANILLO 2020 75 cl CHF 49.00

An attractive deep cherry-red color with blue-violet hues.

Powerful on the nose, with ripe aromas of red berries (mulberries and red currants) combined with subtle, complex oak notes (vanilla, spices, and roasted coffee beans). Full-bodied on the palate with a soft, velvety texture. A long finish with wild red berry and vanilla aromas at the end.
